Seaside shoulder surgeon chosen as “Top Doc”

NAPLES, Fla. (February 7, 2018) – Castle Connolly Medical Ltd., America's trusted source for identifying Top Doctors, has once again chosen Naples orthopaedic surgery specialist Dr. Steven S. Goldberg for inclusion in its highly selective list of Regional Top Doctors. Fewer than 35,000 physicians - less than 5% of the nation's licensed physicians - have been selected as Castle Connolly Top Doctors in their regions for their specialties. Dr. Goldberg has earned this distinction every year since 2011.

Castle Connolly Medical Ltd. identifies top doctors in America and provides consumers with detailed information about their education, training and special expertise in printed guides and online directories. It is important to note that doctors do not and cannot pay to be included in any Castle Connolly guide or online directory.

The exhaustive [process](#) of naming a Castle Connolly Top Doctor begins with thousands of interviews. Because the Castle Connolly honors are determined by their peers, surveys are sent to physicians and healthcare professionals. In addition to mail and online surveys, the Castle Connolly physician-led research team makes thousands of phone calls each year, talking with leading specialists, chairs of clinical departments and vice presidents of medical affairs, seeking to identify top specialists for most diseases and procedures.

ABOUT DR. GOLDBERG: Steven S. Goldberg, M.D. is a board-certified orthopaedic surgeon and is the Chief of the Division of Orthopedic Surgery at Physicians Regional Healthcare System in Naples. Dr. Goldberg completed a fellowship in Shoulder Surgery and Sports Medicine at Columbia University in New York City.
