Meet Mako®

The Mako technology provides Dr. Zehr with a patient-specific 3-D model to pre-plan your partial knee replacement. During surgery, Dr. Zehr guides the Mako robotic-arm based on your patient-specific plan. This allows him to remove only the diseased bone, preserving healthy bone and soft tissue, and assists him in positioning the implant based on your anatomy.

Meet Dr. Zehr

Robert J. Zehr, M.D., is a board-certified, fellowship-trained orthopaedic surgeon with more than 25 years of experience. Consistently chosen as a Castle Connolly Top Orthopaedic Surgeon, Dr. Zehr has won numerous awards from peers and patients alike and ranks as one of the Top 10 Orthopaedic Surgeons in the World according to RateMDs.com.

Seaside Surgery Center

Beautiful beaches, spectacular shopping, dynamic nightlife...Naples is all this and more. Miles of bike trails, oceans of warm water, acres of golf and tennis. If knee pain keeps you from enjoying more of Naples, more of life itself, perhaps a partial knee replacement with surgeon-controlled, patient-specific Mako® Robotic-Arm Assisted Surgery can help. With Mako partial knee replacement performed by celebrated Naples orthopaedic surgeon Robert J. Zehr, M.D., you can have more mobility, enjoy more natural motion, save more bone and be more active. Conducted in the pristine setting of Seaside Surgery Center, Southwest Florida's only facility designed specifically for same-day outpatient joint replacement surgery, Mako partial knee replacement can put you back on your feet in just hours! We make every effort to create a warm and welcoming environment. You need only to read the rave reviews on our website to realize that Seaside is different: "It felt like a day at a spa instead of surgery!" However, make no mistake about it—this is a state-of-the-art medical facility utilizing the most advanced technology available. Get more out of life with Mako Technology at Seaside Surgery Center.
