Nine Seaside surgeons selected as Naples “Top Physicians”

NAPLES, Fla. (January 24, 2019) - Nine of Seaside Surgery Center’s physician partners were chosen as “Top Physicians” in Naples Illustrated’s second annual program. The popular Naples lifestyle magazine commissioned Professional Research Services to poll Lee and Collier County physicians for their top recommendations of their peers in several categories. Physicians receiving the most nominations by their peers in each specialty were accorded the honor of “Top Physician.”

In the orthopedic surgery category, H. Kurtis Biggs, DO, Evgeny Krynetskiy, MD, and Robert J. Zehr, MD, were chosen. Drs. Biggs and Zehr are the co-founders of Seaside Surgery Center. Steven S. Goldberg, MD, was honored in the orthopedic surgery and sports medicine category. Brian Wallace, DO, was named in the sports medicine category. Podiatric surgeons Christopher J. Calcagni, DPM, and Jamie Weaver, DPM, were honored in their specialties. Carmella Fernandez, MD, was chosen in the hand surgeon category. Paul Beebe, MD, was selected in the pain medicine category.

Following the voting, Professional Research Services vetted each winner to ascertain they were licensed and in good standing within the medical community.
