Nominations were submitted by Naples residents during the month of April. From those nominations, a field of five (5) candidates is determined. Those candidates advance to a third round of three (3) finalists as determined by popular vote. The three finalists are featured in a "Best of the Best" special publication and honored at a special awards gala where the first-place winners are announced. Each of the three finalists is entitled to use the logo and moniker as one of Naples' "Best of the Best." The finalist earning the most votes is declared the winner and entitled to the use of a winner's logo and moniker. In 2021 over 110,600 votes were cast for businesses spanning 158 categories.

Voting for the finalists takes place through June 30, 2022. Vote at <https://naplesnews.com/contests>.
